Neither the title search undertaken by the Municipal Solicitor, nor efforts to survey this property, have allowed the Municipality of the District of Shelburne to formulate a proper description of the lands being sold. As such, anyone interested in the property is encouraged to undertake their own efforts to determine the boundaries of the property and, in so doing, to consult with legal counsel or a Nova Scotia Land Surveyor. The Municipality of the District of Shelburne in no way warrants that the description that will be attached to the Tax Sale Deed that the purchaser will receive is accurate. In purchasing the property, the purchaser acknowledges that the description may be inaccurate and agrees that the Municipality of the District of Shelburne has not made any representations and/or warranties regarding the location of the property, the location of its boundaries or the amount of land contained within the parcel.
